# How to order the *Chase* PMG

**Portable Miniature Greenhouse**

## **HOW TO ORDER**

What you receive in a set of Chase PMG's.

1. One carton of 10 frames of Chase PMG's heavily galvanized wire sufficient to make a 15 foot row of continuous covering.
2. One standard box of Chase horticultural glass. 42 sheets (2 of these are spares) each measuring 18 inches by 10 inches. PMG's are used in a continuous row. We cannot accept orders for less than one complete set of 10.

All shipments are made by rail from SEATTLE, freight collect, unless otherwise instructed.

The glass is packed in special containers designed for shipment by rail.

Cost per set, complete, FOR CASH WITH ORDER—\$19.50.
